The essays which were delivered by the pupils follow.

History of the School Year

School year beginning in the fall on August 1st and ending in the spring on June 1st. We have twenty with the enrollment of thirty-seven pupils, and all grades except the sixth and eighth. We were glad to welcome Miss Curtis again for another year. For Hallowe'en entertainment we work on the school. Leona Curtis came from Portland, and this time and we were glad to welcome her to help us on our program. We had had a very successful year with Mr. Millett, the pleasure of presenting our entertainment in his hall.

The attendance was large which showed the interest of the parents and teachers. We raised five dollars which went to our league. Later we were glad to welcome the Jasper children to our school making one more grade, and, as addition, we had a very bright student, helping us in our ranking contest which I will explain later.

We had a short vacation of two days for Thanksgiving, returning Monday morning weighing a few pounds extra.

We had Christmas stamps sent us by well. Each pupil having a few to sell, and we did our best selling most all of them, and then sending the money to the over-seer.

For Christmas we worked on short plays for a small entertainment attended only by parents.

We had a very fine tree followed and everybody was full of joy. Each pupil received a number of presents. Our tree was large, with red and green trimmings. We were all pleased with the many packages and gifts. Among them were a few baby dolls which Santa left for the younger girls of the school.

After our tree, we left happy for a weeks vacation for our own Christmas.

Returning from our Christmas holidays, all were anxious to tell of his presents. The ground was covered with snow, and we played fox and geese, and also skied and skated.

We decided on a ranking system, choosing two different sides. Those who received 95 per cent in subjects for the week, would get a star by their names. Those who received less than the losing side was to give the winning side a party. The names of the sides were Climbers and Letsegetts, with the seventh grade as captains, Leona Curtis and John King. The captains won by a narrow margin of one star.

On the last day of school we gave a party. Our games were a peanut hunt, a nut hunt, a bowl game which proved that we were all winners. We had a very good time living near the school house at recess didn't need this as a proof to know that we were all healthy children. We all parted with happy thoughts of vacation and school.

School opened in the spring on March 26. Most of us were very glad to be at school again. We all heard what had happened during our vacation to the other side.

At the opening of this spring term, we sold candy to raise money for our league, with this money and the amount already had, we bought us a graphophone.

The following week we chose sides again with Delphina Whitman and Valerie Ring as captains. The names of the sides are "Right's", and "Toppers". The captains were very happy to see them go as they had won the friendship of all the pupils and teacher and had won a place in the school which can't be filled.

On the 30th of the beginning of our flower list. There are to be given two prizes, fifty cents to the girl and fifty cents to the boy. This means the most flowers at the end of the term.

A great deal of interest is being taken in the contest for we are all anxious for the prize.

Our fun is had every day for we have exciting games. "Prisoners Base", "Steal the Old Man's Eggs", etc.

It will be with gladness that we greet the coming vacation for you must know that by the time we have a vacation our teacher we have worked hard and are glad of the rest. But we hope to all meet again in the fall with new ambition to make next year more successful than any in the past—Valerie Ring, Grade 5.

School Sports

The pupils who gathered at the school last fall, were happy to start playing some of the old games.

Some of the games which we play are "Steal the Old Man's Eggs", "Prisoner's Base", "Tag", "High Skip", "Ghost Colors", "Footing Game" and "One Deep".

Our favorite game is "Steal the Old Man's Eggs".

TONES should be first and most important requirement in any radio. No matter what distance may be received, if the tone is not pleasing then distance means nothing.

But tone is not all. You will place your radio in a very prominent place in your home. It can just as well be an attractive piece of furniture as not.

OZARKA ARMADA
A most unusual radio cabinet, is a duplicate of an old Spanish treasure chest. In the days of old it safeguarded the family jewels. Today this cabinet is used to house the most modern and complete radio set. You get it for tone, distance and selectivity. Compare it with any radio for beauty, you'll find it to be unequalled anything you've ever seen in radio.

Sunday School Lesson

REV. P. H. WATKINS, D.D., Dean Moody Bible Institute of Chicago (c. 1923, Western Newspaper Union.)

Lesson for June 24

REVIEW—JESUS THE SAVIOR

GOLDEN TEXT—Choose you this day whom you will serve.
PRIMARY TOPIC—Jesus Teaches How to Live.
JUNIOR TOPIC—Learning to Listen.
INTERMEDIATE AND SENIOR TOPIC—Jesus our Lord and Savior.
YOUNG PEOPLE AND ADULT TOPIC—The Son of God With Power.

For senior and adult classes a good method of review will be to study the principal facts and give the leading teaching of each lesson. The following suggestions are offered:

Lesson for April 1.
Before going to the cross Jesus endeavored to make clear to the disciples the reality of His divine personality and the meaning of His suffering and resurrection. Correct knowledge of Christ's person and work is essential to give poise to the disciples in the tragic hours of life.

Lesson for April 8.
The resurrection of Jesus Christ was announced by an angel and He was afterwards seen by many witnesses. Conviction concerning Christ's resurrection is absolutely necessary to effectively witness for Him.

Lesson for April 15.
In order to revive the drooping spirits of the disciples Jesus was crucified before them. Two men from the upper world were sent to converse with Jesus about His approaching death at Jerusalem, the very thing about which the disciples refused to talk. In this transfiguration is given a foregleam of the coming kingdom.

Lesson for April 22.
Jesus as a son was faithful to His parents. He had a high regard for the true home. In this lesson He sets forth the truth concerning marriage which is the foundation of the home. Those who are actuated by His spirit will recognize marriage as the ideal law of life.

Lesson for April 29.
Jesus' answer to the question of the rich young ruler concerning what he should do in order to inherit eternal life shows that the one thing absolutely necessary is supreme love to God and that we should be willing to part with everything for His sake.

Lesson for May 6.
While Jesus was resting in the shadow of the cross, the disciples were disputing as to who should be greatest. The leading lesson is that true greatness is expressed in willingness to give oneself in service to others.

Lesson for May 13.
Jesus entered Jerusalem and triumphantly presented Himself to the Jewish nation according to prophecy. Jesus exercised His kingly authority in cursing the fig tree and driving out the money changers from the temple.

Lesson for May 20.
Under the parable of the husbandmen who betrayed their trust, Jesus shows the Jews to be guilty of persecuting the prophets and of murdering the Son of God. Man's whole duty is summed up in one word—supreme and undivided love of God.

Lesson for May 27.
Jesus is coming in glory and will enter into judgment with those who have been unfaithful. It is incumbent upon all to watch so as to be ready when He comes.

Lesson for June 3.
Though Jesus was the very Son of God, possessing all power, He was at the same time a real man and created human sympathy, therefore He took with Him His disciples to the garden of Gethsemane.

Lesson for June 10.
Because Jesus took the place of the sinner, He was despised and rejected of men. The treatment of Jesus reveals the awful wickedness of the human heart. They chose Barabbas instead of Christ.

Lesson for June 17.
On the cross Jesus made the supreme sacrifice for the sins of the world. When the price of redemption was fully paid Jesus dismissed His spirit, thus showing that He had all power.

Being Christians
"Daniel purposed in his heart." That's the trouble with a great many people; they purpose to do right, but they only purpose in their heads, and that doesn't amount to much. If you are going to be Christians, you must purpose to serve God away down in your hearts. "With the heart man believeth unto righteousness."—D. L. Moody.

Arrows of the Holy Ghost
Deep convictions of sin will not spring from rational consideration. No man can work them in his own soul; they are the arrows of the Holy Ghost. And when He sends them they stick fast.—Berridge.

The Way
If you ask the way to the crown—'tis by the cross; to the mountain—'tis by the valley; to exaltation—'tis by that humbleth himself.—J. H. Evans.

The touching service for the unknown soldier in the church lawn. The service for the sailor, by the brook near the school house. The school children marched from the church and assisted in the service. Dinner was then served in both Grange Hall and vestry to about three hundred (as nearly everyone in town generously helps) no one need worry as to the "costs". Music was rendered by the Saunders orchestra of Bridgton. Prayer was offered by Rev. W. L. Bull, then singing by the choir. Rev. P. A. Allen of Norway gave an able address which could not but stir each heart with a desire to be a better citizen of our country. The children from each school of North Waterford, Stoneham, and Albany, certainly did their part to honor the hero and inspire patriotism, also the fellowship of the United Parish. The exercises were closed with all singing America.
